## Your day, your way

A Le Bijou event is all about you. We take the stress out of planning by offering a set of modular options that you can put together in your own way. Once this framework is established, we get to work creating a completely bespoke venue that perfectly captures your ideas and personality.

## Multifunctional and yet luxurious

Whether you want to celebrate with one or 100 guests, we can create the perfect party: private dinner or elegant apero overlooking the city skyline; a VIP day on your terms.

A photograph of a restaurant interior. In the foreground, a long wooden table is set for a meal with white plates, silverware, and several wine glasses. A wooden board with bread is also on the table. In the background, a fireplace with a warm fire is visible, and the name 'Le Bijou' is illuminated on the wall. The room is dimly lit with modern pendant lights and framed art on the walls.

## Dining out, in

For special occasion, business, pleasure, or simply just because, we work with a carefully curated selection of talented chefs from some of the best restaurants in the city, turning dinner at Le Bijou into your own private gourmet adventure.

On the table, there is a bottle of champagne in an ice bucket, two glasses, and a small bowl of fruit. A hot tub is visible in the foreground, and a window with a white frame is on the left. The background shows a dark sky and some foliage.
